Betty MARTIN TAYLOR has asked if we offer binders for the Martin Family Quarterly. We don't offer binders, but wonder if anyone has a suggestion on where these could be purchased.
The reason the quarterly is printed 5 1/2" x 8 1/2" is so it will fit on any bookcase.
All back volumes of the Quarterly are in short supply except Volume IV. We intend to keep all back volumes in print. When reprinted each back volume will be bound in one book instead of four seperate issues and I am considering the possibility of binding them in hard cover. Whether reprinted in hard or soft cover the back volumes will be higher in price after the present inventory has been depleted.
When Volume I through IV are reprinted they will include an every name and locality index. Volume V and VI have an every name and locality index already included. The indexes for Vol. I through IV will also be offered seperately to persons already having those volumes.

I am seeking information on my great grandmother, Sallie (or Sarah) MARTIN born 14 Oct. 1825, Sumner Co. (?) TN. She married Ila DOUGLASS (was his 2nd wife) 26 Sept. 1845. Probably married in Wilson Co. TN as they were living there until about 1850 when they moved to Shelby Co. TN. She died in Shelby Co. 27 July 1902. I have recently found what I think is her line. Would like to verify and communicate with other of that line.

I think her parents were George Washington MARTIN and second wife Eliz. WOODWARD BOWERS MARTIN. George was the son of Pleasant MARTIN who was son of Thomas MARTIN, son of John MARTIN, son of Abram MARTIN, who came from Galoway, Ireland to VA about 1680. If this IS correct my Sallie had sisters: (1) Elizabeth "Bettie" married TOWSON and (2) Martha. Any information will be helpful. MARTINs were early settlers in Nashville, TN area.
MRS. HELEN T. ALLISON, 3628 MALLORY RD., MEMPHIS, TN 38111
Editor's Note: George MARTIN was born ca. 1779, VA and married 1st to Sarah WALKER and 2nd to Elizabeth WOODWARD BOWERS. George is found on the 1850 census of Wilson Co. TN, age 71, b. VA with wife Eliza, 56, b. VA. Living with George were Martha MARTIN, 21; Ralph MARTIN, 14; and Agnes CALHOUN, 10. Sarah may be George's daughter. The George MARTIN estate should have been recorded in Wilson County sometime between 1850 and 1870. See if this estate names a daughter Sarah MARTIN DOUGLASS. Melva R. CAMPBELL, 211 North Walnut St., Woodland, CA 95695 descends from Pleasant MARTIN's dau., Elizabeth MARTIN, who married William Cowper POWELL. She may have the proof you seek.

Researching for family history, descendants of: William MARTIN, b. 6 Nov. 1794, Warwick, England; married in Warwick 10 May 1839, Mary Ann WHEATCROFT (1818-1902); immigrated to Highland, Michigan ca. 1854; died and buried at West Highland, Michigan 1 March 1872. REVOLUTIONARY PENSIONS

2ND SERIES

FROM SELECTED RECORDS OF REVOLUTIONARY WAR PENSION APPLICATIONS (NATIONAL ARCHIVES MICROFILM).

This second series includes Martin soldiers and widows who applied for pensions while living in Pennsylvania, Maryland and New England. The first series began on page 31, Volume VI.

ADDITIONAL INFORMATION ON PENSIONS

The pension applications included in Volume VI are the only surviving Martin Revolutionary pensions in the National Archives. All of these pensions were made by the federal government. There were (and are) state pensions for soldiers who served in state militia units. These pensions can be found in various state archives.

It is believed applications made before 1800 were burned in the war department fire in 1814. A few survived and are on cards filed and abstracted with these pensions.

The state following the name of the applicant is the state from which he served. The letters before the pension number are: S = soldier; W = widow; and R = rejected.

BLWt means bounty land warrant. The first number is the number of the warrant; second number is number of acres granted; last number is the year the grant was issued. Example: (see page 64, Jeremiah MARTIN, grant) BLWt 91123-160-55. He received bounty land warrant #91123 for 160 acres under the act of 1855.

To order copies of these pension applications write: Military Service Records (NNCC), National Archives, Washington, D. C. 20408. Ask them to send you Form NATF 26 (6751). Fill this form out to order these pension applications. They will bill you about $3.00 for each pension. You can request all documents in an entire file. They will bill you 20¢ per page for an entire file and you have no way to know how many documents this can involve.

The data included in these pension abstracts is all genealogical information included in the selected papers on microfilm. You may get additional information by ordering all documents in a file.

In most cases I have much more research on these Revolutionary soldiers. The abstracts in Volume VI only include information from pensions.

There were thousands of soldiers who were never pensioned.
